

激情燃烧的岁月 紧张的军训开始了 杨东标

Years of Burning Fervor Tense training begins

结果呢，等了好几天，什么也没有。一切如常。

思想上渐渐有了放松。

这一天终于来到了。凌晨，哨声突然响起，紧急集合！

大家慌了，拆蚊帐的拆蚊帐，打背包的打背包，忙成一片。储吉旺手忙脚乱地捆好被子，集合的哨声已响了。他拎着被子和没有整理好的行李，慌慌张张地赶到操场，排在队伍里。队长走到他的跟前说：“这样可以急行军吗？”储吉旺的脸红了。

那天，从下关码头跑到挹江门。然后，跑回来。

只有反复的折腾，磨炼，才能让“战士”两个字合格。

你是一块好铁，就要放在砧上反复锻打；你是一把利

The result? They waited like that for days and nothing happened. Everything went on as normal.

The slowly started to relax.

And then one day it came. In the middle of the night, the whistle suddenly started blaring. Emergency muster!

Everyone panicked and the barracks were suddenly a hive of activity, with people tearing down mosquito nets and stuffing things into their rucksacks. Chu Jiwang was bundling up his blanket in a

fluster; the muster whistle had already been blown. He took his blanket and his suitcase, which he had not yet got in order, and frantically rushed to the exercise ground, where he lined up with the troops. The sergeant walked into his vicinity saying: "You think you can go on a forced march like this?" Chu Jiwang face flushed red.

That day, he had run from Xiaguan Wharf to Yijiang Gate along the city wall and back again.

Only by doing this kind of exercise over and over, could you

steel yourself for your duty and become deserving of the name "soldier."

It was as if you were a nice piece of iron that just needed a good beating on an anvil; or a fine sword that just needed a good sharpening on a whetstone; or perhaps a sturdy tree that just needed to go on growing tall and straight through the battering of the winds and the rains.

This was the understanding Chu Jiwang had gained.

After three months of arduous

剑，就要放在石上不断地磨砺；你是一棵强壮的树，就要在风雨中挺拔成长。

储吉旺算是深深地体会到了。

三个月的艰苦集训，这批新兵已经不同于初来乍到了。

他们开始一一分配。他们所在的部队是南京军区后勤部船舶大队。

储吉旺和赵树基、葛更永等被分配到警卫通讯班。

training, the new batch of soldiers were not the same group of lads that had arrived that day in Nanjing.

One by one, they had begun to be assigned posts. The unit they belonged to was the Nanjing Military Area Command's Rear-Service Marine Brigade.

Chu Jiwang, Zhao Shuji, Ge Gengyong, and some others were assigned to the Guard Communications Squadron.
